Re: *Singley v. Trinity Highway Products, et al.*, Case No. 2013-CA-01944

Dear Ms. Gillis,

Per my conversation with Joni from your office this morning, it appears there is some confusion concerning Appellants' Addendum which was filed in two parts yesterday with our brief in the above-referenced case. I do apologize for that. To clarify, the "addendum" consists of the M.R.A.P. 30 mandatory excerpts (labeled as pages 1-27 in the accompanying index), and additional permissive record excerpts and additional information pursuant to the same rule. My understanding from Joni is that your office would like to have the document re-named to clarify that they are indeed record excerpts, and we certainly have no objection.

Thank you for your time and assistance with this matter. Should you have any questions or concerns, or need additional assistance, please do not hesitate to contact me immediately. My direct line is (901) 527-2145.

Respectfully,

*Ronna D. Kinsella*
